Client Support Services

Support where you need it

With See Differently's expert Client Support team you will have access to South Australia's best range of specialist low vision services including Counselling, Support Coordination, Disability Support Workers, and Volunteers.

Leading the way

Clients are at the centre of See Differently's Client Support Services. With our experienced team guiding you and connecting you with other low vision services and resources, you'll be achieving your goals in no time.

See Client Support Services Differently

We understand that dealing with vision loss or other changes to your vision can be daunting. Navigating the different funding sources and available services needn't be. We provide person-centred, flexible, and responsive services designed to enhance your overall wellbeing, including practical requirements.

Support Coordination

If you have a new NDIS plan or are looking to get more from your current plan, let our highly experienced Support Coordinators create the best plan for YOU.

Counselling

If you're feeling stressed, worrying about the future or just need someone to talk to, our counsellors are specially trained in vision loss and will equip you with strategies and skills to help chart your way forward.

Support Workers

Empowering and broadening the lives of clients within the home and in the community. Customised support, including Sighted Guide Assistance, transport and learning new skills like shopping online.

Volunteers

Our trained and friendly volunteers can assist clients with practical solutions such as assistance with shopping, transport to medical appointments and social programs. Encouraging community connection and increased independence.

Our difference

There are a few things that set our services apart:

An amazing team

See Differently's friendly and knowledgeable Support Coordinators, Counsellors, Support Workers and Volunteers undertake ongoing training and assessments to maintain their expertise in the vision sector, providing the highest-level of service to our clients. Some of our team have a personal experience of vision loss, giving them better insights into your experiences and needs.

Vision is our business

See Differently is all about vision. We are South Australia's largest and most experienced low vision provider and have been working with people with blindness and low vision for nearly 140 years. We appreciate that losing your sight is a uniquely personal experience and every client requires an individual approach.

Our large range of services makes See Differently your destination for all your low vision needs. We'll connect you with the services and resources you need to chart your way forward.

One organisation, lots of services

See Differently is your one-stop shop for anyone with low vision. Our services include;

- Occupational Therapy
